

# PRODUCT LINE CARD

Brisk made a humble beginning over past 5 decades & is now innovating forward with leading technology manufacturers & solution providers for various electronics, electromechanical & automation industry.

Our extensive portfolio that spans the entire technology landscape helps customers create, make and manage forward-thinking products that make the benefits of technology accessible to as many people as possible.

Technology's next innovation is out there, somewhere. It may just be scribbles somewhere right now, a possibility on paper. But tomorrow, it could change the world – with a little help from Brisk.

Today, we can design, make, supply and deliver for customers of every size. Whether your product is still a notion on a piece of paper or at mass production or at any point in between.

Brisk combines the agility needed to get to market first with close-knit relationships with technology's most trusted global companies. Turning ideas, no one has heard of into products that everyone knows.

#### INNOVATION

Brisk continues to keep pace with technological changes in the Industry by delivering products and services of tomorrow - today.

#### EXCELLENCE

In all our work, we strive to achieve excellence in meeting trust, confidence, credibility with highest standard of ethics, as always.

#### PASSION

Our passion has always been to be the leading solution provider for electronics, electromechanical and industrial automation & control by meeting and surpassing customers' expectations.

## Why you should partner with us

Brisk is more than a distributor of products and a recognized leader in customized services & solutions.

We are an innovator dedicated to engaging our customers with next generation products & value engineering we offer, enabling them in sustaining their cost competitiveness.

We deliver unmatched value through our:

#### ASSEMBLED SOLUTIONS

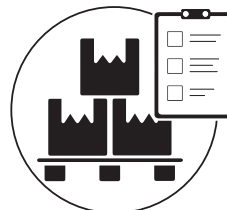

#### LEAN VALUE CREATION

#### CONSULTATIVE SALES APPROACH

#### INVENTORY MANAGEMENT

In short, you should partner with us because we are a trusted partner to many of today's leading manufacturers who rely on our expertise to deliver creative solutions, a competitive advantage and financially measurable value to their business.

Automotive Relays | General Purpose Relays | Signal Relays |  
Power Relays | Switches & Sockets

Blade Fuses | Slow Blow Fuses | Electric Vehicle Fuses |  
Battery Terminal Fuses

Radial leaded PPTC | SMD PPTC | Battery Strap | Resettable Fuses

Backplane Connectors | I/O Connectors | PCB & Barrier Terminal  
Blocks | Power Connectors | FO Patch Cords | Automotive Connectors

Circular Connectors | Audio Connectors | Back Shell Connectors |  
RF Connectors | Antennas | Rack & Panel Connectors

RF Coaxial Connectors | RF & Microwave Switches | Electric Vehicle  
Connectors | Signal & Power Circular Connectors

Storage Battery Connectors, Power Pole Connectors, Euro Battery  
Connectors, Power Clips, Power Drawers, SPEC Pak Connectors

Terminal Blocks | Power Supplies & Diode Modules | SPD |  
Heavy Duty Connectors | HMI & IPC | Relay Modules & Safety Relays  
| Industrial Ethernet Switches | PLC & I/O | Sensor Actuator Cabling |  
Markers, Labels & Lugs

Enclosures PC (Polycarbonate) | ABS (Acrylnitrile Butadiene Styrene)  
| GRP (Glass Fibre Reinforced Polyester) | Enclosures with:  
IP rating 65~68 & IK rating 7~10

Sensors & Switches | Photoelectric Sensors | Limit Switches |  
Proximity Switches | Flame Safeguard Products | Temperature  
Controllers | Recorders & Indicators | Gas Flow Measurement Meters

Regulators - Thermostats & Hygrostats | Heaters | Fan Heaters |  
Filter Fans | Lightings & Accessories

Wire Markers | Cable Markers | Component Markers | Markers | Cable  
Ties | Labels | Engraved Plates | Marking Machines | Accessories |  
Lugs | Cord End Ferrules

Industrial Tube & Label Printers | Wireless Desktop Printers |  
Handheld Printers

Relay Interface Modules | DC Isolating Amplifiers |  
Cable Assemblies | Junction & Distribution Boxes |  
Customer Specific Assemblies & Solutions
